

GSU Convention 2011

Bulletin 5

July 25, 2011

To: Accredited Convention Delegates

Dear Sisters and Brothers;

This Bulletin deals with the final May 2011 membership count for Local delegate entitlement.

The delegate entitlement for each Local is calculated using a formula found in the GSU By-laws (By-law 12, section 6.) The membership list for **May 2011** is used for the official delegate count.

Attached is a table showing the Local Delegate entitlement for the 2011 Convention. Any changes in delegate entitlement from the estimated count provided with the Convention Call are indicated by a shaded line.

GSU Mint Locals please note: The May dues check off was not received from the Royal Canadian Mint. The figures used in this report are from the April check off.

If your Local's delegate entitlement has changed, please contact the GSU National Office as soon as possible to advise us how you will handle this change.

Please contact the National Office if you have any questions about this Bulletin or about the Convention in general.

In Solidarity,

Mark Brunell
GSU National President
